

TEACHERS' FEEDBACK

Based on 43 Response

Year

1. Teachers' are satisfied with their students' response in the class

2. Students are responsive and motivated by the teachers in most cases

3. Class were held in regular basis but students were found irregular

4. PA System in the large classes (having > 100 students capacity) should be installed immediately

5. Regular class attendance of the students is essential

6. Questions from students should not be encouraged during the class rather there should be an open discussion after the class

7. Due to lack of communication skill in terms of articulation & comprehensibility students can't ask proper questions

8. The courses/syllebi taught by me have a good balance between theor
