About the Mahavidyalaya

This institution is one of the good colleges in the locality. It's started its glorious journey as a rural based State Aided College in the year 1970. In the beginning two Honours Subjects – Commerce and Sanskrit were introduced along with their general courses with a very few infrastructure and a huge and commendable mental strength in a local Rice-mill. This college then developed day by day with help and donation of local people among them late Sajanikanta Giri, was the pioneer. The foundation stone was laid down by His Holiness Sri Sri Swarupananda Paramahansa Deva on 26.01.1968.

This rural based college focused from its beginning on quality teaching – learning process and ensures overall betterment of the society in every possible way. This institute makes its land mark in the history of Indian education system as the first “LODHA – one of the oldest tribes of Indian subcontinent” is graduated from here. This institution is in the verge of its glorious Golden Jubilee year securing Seventeen Honours courses and newly introduced Six Post Graduate courses that running effectively with a planning to introduce some new subject in UG and non-lab based PG subject in Humanity and Social Sciences.

Vision: our main vision is to

Become a reputed institution providing every possibility and hope of higher education to the unprivileged students of nearby locality having only one institution for Higher Education in close proximity.

Mission:

Our mission is

- To provide higher education to the needy and potential students
- To educate our students in best possible professional and modern way without any differentiation among them on the basis of socio-economic differences or caste, gender, creed etc.
- To uplift our students morally, aesthetically, ethically and socially

From the desk of The Head of the Institute:

Welcome you all to our institution into the large and green campus. This institution has started its praise-worthy journey on the auspicious day of 26th January, 1968 inaugurated by His Holiness Sri Sri Swami Swarupananda Paramhansa Deva. From, only two Honours to seventeen honours subjects and six P.G courses- a rare and commendable journey as a rural based college.

The institution is functioning efficiently with highly qualified and dedicated faculty members, motivated students and proficient administrative staffs.

The library of the college is now functioning with a dedicated professional system with sufficient resources.

We are always focused on the educational excellence and our social responsibility as a higher education institute.

Please visit the institution and be a part of its glorious journey to the world of knowledge.

Facilities within the campus

Central Library:

College Library of Sabang Sajanikanta Mahavidyalaya started its journey in a small room of the Institute old Building (Vidyasagar Hall) in the year 1970, and moved to its present premises in 2012. Since then, it has grown in size and content to take the present shape. . For few years, the library has become the lifeline of the academic activities of the Institute. It has been catering to the needs of our students of undergraduates, postgraduates, faculty and staff members.

The library has a collection of more than 30,000 volumes which includes text Books, reference books & printed journals, etc. It has also special collection of books on Swami Vivekananda and Swami Swarupananda. With the development of Information and Communication Technology (ICT), the behavioural characteristics of the library users have been changing rapidly and the library is trying its best to adapt with the technological advancement.

The College Library has developed computer based information storage and retrieval system in the multi-user environment using KOHA software; an Open Source Library Management Software package. The identity of all books and the library users are fully bar-coded and all Library house-keeping operations like, acquisition, cataloguing and circulation services have been automated with the help of KOHA software package

The book database is accessible through OPAC (Online Public Access Catalogue). Now it is a partially automated modern library is on its way to becoming an outstanding learning

resource centre catering to the ever growing and uncompromising information and intellectual requirements of the students, faculty members of the Institute. To ensure proper surveillance, electronic surveillance system has been adopted in some important service areas within the library.

The library also has a well-equipped Xerox centre and the users can avail this facility on payment of a nominal charge.

Computer Lab

There is a well-equipped and well decorated computer laboratory with internet facilities. Department of Mathematics, Commerce, Economics, Physics and Chemistry use it as a departmental laboratory by sharing as well as all students can use it as required.

Vidyasagar Auditorium Hall

Vidyasagar Auditorium Hall of the Sabang Sajanikanta Mahavidyalaya is a moderate hall built to enable an audience of 200 seating capacity with a concrete in-built stage.

Games and Sports

There is sufficient arrangement for outdoor games such Foot Ball, Cricket, Volley Ball, Basket Ball, Hand Ball, Badminton etc. in the college. The students of the college win some prize from University level competition.

Common Room

There are two separate common rooms, one for male students and other for female students. Students are provided newspapers, magazines, different indoor game facilities like carom, table tennis etc.

Vidyasagar Path Parishad

With a view to fostering a sense of culture in the locality, Vidyasagar Path Parishad being established in the year 1970, 150 Birth Anniversary of Pandit Iswar Chandra Vidyasagar,

organises several competitions every year among its members from neighbouring educational and cultural institutions including mother institution. The Parishad organises meeting, seminar, yoga camp, career counselling programme etc. which are addressed by the eminent guest.

Departmental Library

Departmental library is available in each department. Some departments also have open book corners. Students of the concerned department can use these libraries easily.

Hostels

There are two hostels - one for male students and one for female students under control of the college hostel committee. Two hostel superintendents appointed by the college administration to supervise the hostels and maintain the books of accounts.

a. Swarupananda Boy's Hostel

b. Nivedita Girls Hostel

- **Admission to hostel:** The students seeking admission to hostel for a particular session are required to apply in the prescribed form to the superintendent. The seats allotted to the students are notified and the students are required to pay the fees and charges at the time of admission.
- **Charges:** Establishment charge including electric, seat rent, cook etc. should be deposited by the student at the time of admission. Messing charge should be deposited by the student in every month as required.
- **Discipline:**
 1. Attendance compulsory for both the morning and evening prayer.
 2. Strict discipline is to be maintained during the study hours.
 3. Students must observe the study hours prescribed by the authority.
 4. Use of common room is strictly prohibited during the study hours.
 5. Lunch and dinner time is strictly maintained by the students as per the prescribed schedule of the authorities.

6. The boarders of the room concerned are to purchase the bulb, etc. at their own expenses. The authority will make arrangement to their effect only the very beginning of the new session for once.
7. No guest will allow to stay overnight in the hostel.
8. No boarders are allowed to stay during the vacations like summer, Puja, Christmas etc.

Gymnasium:

The institute has its own gymnasium for the students. The gym is consisted of multigym system as well as other equipments.

CCTV Surveillance

Closed-circuit television (CCTV), also known as video surveillance (VS), is the use of video cameras to transmit a signal to a specific place, on a limited set of monitors. In recent years CCTV is widely used in different institutions due to its success in preventing bullying, vandalism, monitoring visitors and maintaining a record of evidence in the event of a crime. There are some restrictions on installation, with cameras not being installed in an area where there is a “reasonable expectation of privacy”. in our institution it was installed over the years. However, recently we are increasing its view points of surveillance through most recent technology of communication media i.e.Fiber Optics. More than hundreds of CCTV cameras were installed throughout the lawn and main transit areas of the premises. All the camera monitors and transfer high rate of data to the nVRs& DVRs all the time (24×7) without any intervention.

Mentor-mentee System:

Mentor-mentee program has been started in the Mahavidyalaya wherein the teaching faculties of this Mahavidyalaya are doing the job as the mentors and the students are considered as the mentee.

Objectives:

- i. To help the students for understanding the challenges and opportunities present in the college and develop a smooth transition to campus life.

- ii. To counsel academically weak students and to play an important role in helping troubled students to cope with academic, extra-academic and personal problems.
- iii. To proactively try to identify problems of the general student populace and to bring them to the notice of the concerned authorities. The practice of Mentor-Mentee program endeavours to pursue these objectives by guiding the students by the teaching faculty who can act as a friend, philosopher and guide to them. Mentors of each department, selected by the teachers of the concerned department, play this role and are given the authority to pursue the mission of this programme. Each of them is assigned a group of students however, their role is limited to counseling and motivating them to better direction. As the Mahavidyalaya suffers from huge shortage of teaching faculty, the programme is in fledgling stage. Only programs like counseling,

Number of students enrolled in the Institution	Number of fulltime teachers	Mentor: Mentee Ratio
3075	29	1: 106

group discussions etc. are taken up

Internal Evaluation (CIE) system

The Mahavidyalaya has very little scope to bring reforms in the CIE. However, the institution does undertake internal assessment (class test of 10 marks) of 2 tests for the honours courses and 1 test for General Degree courses for each semester. Internal assessments are arranged on surprise test basis. Questions are set based on the topics covered in the previous classes. After the class tests are over the questions are uploaded in the Mahavidyalaya's website. Students who fail to appear on the days of class tests are offered a second chance, provided a valid ground of absence is produced before the head of the department through written application. Results of the internal assessment are published in the departmental notice board. Students are given an opportunity to interact with the teacher in their next class to understand/correct the weak points both in terms of data and style of writing, of their answer scripts. After the completion of all the tests an average marks obtained are calculated by the respective departments and sent to the Vidyasagar University (V.U.). Other than this mechanism of CIE the institution also keeps a record of the advanced and slow learners based on the responses in the classes and the marks scored in the class tests. A special attention is given to these groups of students through special classes and remedial classes. Both types of classes are taken in the 'tutorial' slot of the routine.

Extension Activities:

The institute had organized three extension activities during the year. NSS unit of this institute had taken up the main responsibility to organize these programmes listed below.

Title of the activities	Organizing Unit	No. of teachers participated	Number of students participated in such activities
Celebration of Aranya Saptaha	NSS	14	74
Celebration of Vana Mohatsav	NSS	20	147
Celebration of World AIDS day	NSS	17	120

Career Counselling

The institution has a dedicated career counselling cell which has actively help students throughout the year to suggest the right pathway for choosing career in different fields after completing degree courses. Besides these the cell had arranged a **Workshop on Soft skill Development (In collaboration with IQAC). About 87 students had participated in the programme.**

Activity of Student Council:

Students' union of the Mahavidyalaya is actively engaged in different extracurricular activities that help in developing social, cultural, environmental, physical as well as political awareness amongst the youths. The activities of the students 'union are enlisted bellow:

- The Cultural competition of the Mahavidyalaya is organized by the Students 'Union every year. All the students are requested to take part in the competition an automatic screening is done through this competition for the students who will take part in the University's (VU) cultural competition.
- The union publishes their annual magazine every year. A team of magazine committee is selected every year whose primary duty is to collect the writings from the students and place

them before the editors' board (comprising teachers) for final selection. The magazine offers an excellent opportunity to the students to ventilate their unexplored brilliance present in them.

- The college has a history of showing good performance in Youth Parliament competition. It performed well in District level Competition as well as State Level Competition. Credit goes to the Union, right from developing the script to selection of students for the specific role, the arrangement of rehearsals, purchasing drama attires and logistical support all are done by the union.

- The annual sports of the college as a gala event, where all the departments take active participation. A college football team is selected by the union with the help of the physical education teacher, just after the annual sports. This football team (students mainly comprising from hostel) undertake regular practice and perform praise worthy performance at the University level as well as at State level competition.

- The union also take active participation in selecting NCC and NSS cadets. Regular activities of the NCC and NSS like establishment of practice camp, visiting to adopted villages, organizing seminars – film show – campus cleaning – environmental awareness in villages for NSS volunteers etc. are carried out with the help of the union.

- Amongst other works the union also logistically helps the institution organizing state/national/international seminars, invited lectures, teachers' day celebration, Independence Day celebration etc.

Students on academic administrative bodies/committees of the institution:

Student representatives ventilate their grievances and opine their perspectives in the meetings of the following academic administrative bodies/committees of the institution. Their representations are valued highly as they are the elected representative/members of the students and their presence in the meetings is by virtue of their posts. 1. Governing Body of the Institution 2. Cultural – sub – Committee of the Institution 3. Games and Sports – sub – Committee of the Institution 4. Academic – sub – Committee of the Institution 5. Seminar Committee of the Institution.

Cultural Activities

Every year college arranges a prize giving ceremony followed by social function with all pomp and grandeur. Eminent personalities grace the occasion as honourable guests. Besides, some cultural activities like Nabin Baran, Sikshak Dibas. Rakhi Bandhan and celebration of the days of National Importance etc. are also held during the session. All the functions are organised by the Students` Union under the guidance of the Principal. Some departments arrange cultural programme separately.

Parent-Teacher Meeting

Parent-teacher meeting is generally held every semester end of the internal assessment. We provide the report of the children and the requirements of the parents from the institution or department. Individual and group discussions are organized by the department with mentor-mentee.

Students' Feedback Report

Student's feedbacks are collected from every student in every academic session then the analysis is done statistically on the overall responses, after that measures are taken analysing possible reasons and some important suggestions are provided by the departments as well as by the IQAC.

STUDENTS' FEEDBACK REPORT ON ECONOMICS

A departmental meeting was held on 14.03.2018 and its discussed about the Students' Feedback

Report (2017-18).The student feedback data for different criteria were analyzed and resolved. The Resolutions are presented in the following table:

Sl No.	Parameter	Response	Resolution
1	Extent of coverage of course	69.23% is very good, 23.08% is good and 7.69% is satisfactory.	The department will perform better from the next time to cover up shortage those students who have not enough satisfaction by remedial class.
2	Work Load of the Subject	Major percentage of students responded in very good, good and satisfactory category (61.54%, 30.77%, and 7.69%)	The department will take necessary step i.e. extra class for those students who have not enough satisfaction according to their opinion.
3	Applicability/relevance to real life situation	Major percentage of students responded in very good, good and satisfactory category (61.54%, 23.08% and 15.38%) respectively.	The department will take necessary step i.e. group discussion for those students has not sufficient satisfaction of their opinion
4	Relevance of the subject in relation to the understanding of major field	76.92% is very good, 7.69% is good and 15.39% is satisfactory	The department will take necessary step i.e. group discussion for those students has not sufficient satisfaction of their opinion.

5	Availability of text book	69.24% is very good, 15.38% is good and 15.38% is satisfactory.	The department will take necessary step i.e. advising to use online materials and library facilities for betterment of student's satisfactory level.
6	Relevance of the subject covered to the examination /tests	Major percentage of students responded in very good, 61.54% is very good, 30.77% is good, and 7.69% is satisfactory	The department has decided to allot the remedial class of that student who has given their opinion as satisfactory for the next session.
7	Additional remedial teaching for better understating of the subject.	Major percentage of students responded in very good, 69.23% is very good, 15.39% is good, 7.69% is satisfactory and 7.69% is average	Remedial classes are allotted for the slow learners. Students who could not follow a particular topic can also join the remedial class. Students who have responded this parameter as average might have not attended the classes. The department has decided to allot extra class of those students' who has given their opinion as average for future.
8	Overall Rating	None of the students responded in unsatisfactory group. Only a small	This is evident from the student feedback data expressing the overall rating that major percentage of students are either in good

		<p>proportion of students responded in average group.</p>	<p>or very good segment. The small proportion of students in average group might have not attended all the classes due to transportation problem, agricultural work etc. However, house resolved that doubt clearance session should be included in remedial classes.</p> <p>And individual problems if any should be taken care of at Mentor-Mentee level.</p>

Sl.No.	FEEDBACK	ACTION TAKEN
1	Notes for examination	We always encourage students to study from various books and web sources provided to them. We always help them prepare their own study notes. But we do not support the traditional market based note in higher education system, though we still provide many notes on many difficult topic of syllabus through what's apps group to accomplish their need.
2	It would be better to explain topic in a simple way through modern technology.	Being a rural area based college we are not still able to develop modern infrastructure which will be familiar to every student. A huge amount of fund will be needed to setup such infrastructure. As soon as the fund will be available for the same the said suggestion will be implemented.
3	Examination should be in every month	Due to tight course schedule to complete syllabus it would be very difficult to arrange monthly examination. Yet we would try to schedule it in remedial classes or in extra date in next session.
4	Coverage of course some time not finished .	Some time very small portion of the syllabus not completed in time due to poor internet connection some students can't be able to observe thePPT/video of the teaching. So we are to arrange remedial classes to

		cover the syllabus
5	Teaching aids should be increased	We know that our departmental infrastructure is not well equipped. Yet we will try to increase teaching aids like arrangement of smart class room etc in our department.
6	Field trip to ensure hands on project in subject related at local area.	We will provide a certificate from our college for their identity to collect field survey data for kind co operation from any household, organization or institutions.

Some more suggestions to IQAC:

- More text books to be purchased in central as well as departmental library in accordance with CBCS syllabus
- Number of teachers should be increased for the proper workload in CBCS sharing for both UG and PG departments.
- Some overhead projectors need to be installed in the classroom to upgrade the ICT based teaching.

The overall feedback analysis of a department (Sanskrit) is presented in tabular form here:

Sl. No.	Category	Observation from feedback data	Measures		Suggestions
			Possible Reasons	Step Taken	
1	Extent of coverage of course	Very good-92.93% Good-7.07% Satisfactory-0% Unsatisfactory-0%	Almost every students are present regularly in their classes.	Students are advised to attend their classes regularly.	Students are allowed to sit for the examination if their attendance is above 70%.

2	Workload of the study	Very good-22.22% Good-75.76% Satisfactory-2.02% Unsatisfactory-0%	Workload and all curriculums in accordance with CBCS & YEAR system.	We have no choice in this regards. We are taking our classes as per UGC rules.	No Suggestion.
3	Applicability to real situation	Very good-56.57% Good-24.24% Satisfactory-19.19% Unsatisfactory-0%	Applicability depends on the content of the chapters.	We have no choice in this regards.	Feedback systems should be introduced regularly at least once in 6months. Which will be helpful to understand the feedback.
4	Relevance to understanding of major fields	Very good-45.45% Good-51.52% Satisfactory-3.03% Unsatisfactory-0%	Syllabus and curriculums framed by UGC and University.	We have no choice in this regards.	We have no choice in this regards.
5	Availability of text books	Very good-61.62% Good-34.34% Satisfactory-4.04% Unsatisfactory-0%	Textbooks are available as per need of YEAR system students. But the books of semester system are not available according to the needs.	We have no choice in this regards.	More text books to be purchased as per needs.
6	Subject covered for examination	Very good-51.52% Good-41.41% Satisfactory-7.07% Unsatisfactory-0%	This data depends on the student attendance in the class. Some	We have no choice in this regards.	All faculties are covering their syllabus before exam by taking extra classes.

			classes are not held due to shifting of department from old to new building.		
7	Remedial teaching	Very good-52.53% Good-33.33% Satisfactory-14.14% Unsatisfactory-0%	Remedial classes are only held only one day in a week of every class. So, good number of students are not interested to attend the remedial class. But we will try to increase the number of remedial classes.	We have no choice in this regards.	Remedial classes may be arranged in leisure time during college hours.
8	Overall rating	Very good-77.78% Good-21.21% Satisfactory-1.01% Unsatisfactory-0%	This is quite natural because only 1.01% of the students are unsatisfied. Perhaps the percentage of absence of that students more than his present.	We have no choice in this regards.	It is impossible to satisfy all the students. But we will trying our level best.

Maintenance Policies

Mahavidyalaya has its own internal policy for maintenance. Maintenance is done through repair, partial replacement and total replacement. It includes the civil work, replacement / repair of electric parts like light, fan, laboratories equipment, computers, printers, CC camera, chair tables, sports items and books also. At first articles are registered in a record book in detail of its particulars damage. Then the report is processed to the Finance committee and Governing Body if required. After passing the committee or body repair, replacement or renovation are permitted. Repair or replacement is done as per the emergency and priority. Some maintenance is processed in bulk as priority. College has allocated a budget for annual maintenance purposes.

Institutional Distinctiveness

The institution has a singular vision of imparting higher education to the rural folks of the area. In this endeavour the Mahavidyalaya introduced different honours courses in undergraduate level, and also introduced P.G courses in science as well arts subjects. The Mahavidyalaya runs these courses with the priority to educate the village poor. The institution has its future plan to introduce technical education as well as subjects on cross cutting issues as a future thrust area.

Institutional Best Practices:

For this session our institute has focused on two major Best Practices which are,

1. Getting familiarized with the political culture of the democracy through the participation in Youth Parliament
2. Installation of On-Grid Solar Power System.

Future Plans of Actions for Next Academic Year

Initiation of Mentor- mentee program Library automation keeping in view to make it user-friendly and to provide the latest techniques to the students as well as to the library staff differently-abled friendly college campus Initiation of Faculty Exchange Program etc.
