## INTRODUCTION

On the auspicious occasion of the 26th. January, 1968, the foundation stone of this college was laid by His Holiness Sri Sri Swami Swarupananda Paramahansa Deva.

Established in the year 1970 and affiliated to the University of Calcutta and now to the Vidyasagar University, Paschim Medinipur, Sabang Sajanikanta Mahavidyalaya is a leading three-year degree college to disseminate higher education among the poor and deserving pupils of the south east region of the district. The college owes its origin to a princely donation from Late Sajanikanta Giri.

The college has already attained much repute by overcoming the maladies prevailing in the field of education to a larger extent with a batch of experienced and energetic teachers and non-teachers, well-equipped library and laboratories and above all a reliable and untiring administration. Like any other ideal college this one also has every potential to educate, guide and inspire the young learners and make them fit for their age and society.

### **Vision**

The Mahavidyalaya was established by the intuitive educationist and local philanthropists. They had a common vision of unearthing the potentially of the young learners of the area. The institution till holds that vision close to its chest and takes stride to achieve excellence in every subject walks extra miles for quest of new knowledge.

### **Mission**

The Mahavidyalaya is established with a mission to disseminate higher education among the deserving pupils coming from the marginalized families of the remote Sabang Sajanikanta Mahavidyalaya

areas of Sabang. Sabang is a poor agricultural belt, predominantly comprising of small cultivators, agricultural labourers, landless, and under-privileged artisans of backward communities. The founder of the college had envisaged a mission of creating at least one graduate in every household. Corroborating with the mission of the Mahavidyalaya "TAMOSA MA JYOTIRGAMAYA" which means "lead me towards light from darkness". This symbolizes the 'motto of the Mahavidyalaya

### **MAGAZINE**

Under the guidance of Teachers-in-charge and at the initiative of the Students' Union printed Magazine and wall magazines are published every session. Departmental wall magazines are also published throughout the year.

### **ATHLETICS**

There are sufficient arrangement for outdoor games such as Foot Ball, Cricket, Volley Ball, Basket Ball, Hand Ball, Badminton and etc. in the college. College games and sports are supervised by the Teachers-in-charge in full co-operation of the Students Union.

### **CULTURAL ACTIVITIES**

Every year college celebrates a prize giving ceremony followed by social function with all pomp and grandeur. Eminent personalities grace the occasion as honorable guests. Besides, some other cultural activities like Navin Baran, Rakhi Bandhan and celebration of the days of National Importance etc. are also held during the session. All the functions are organized by the Students' Union under the guidance of Teachers-in-charge.

### COMMON ROOM

There are two common rooms in the college one for male students and the other for female students. In each common room students are provided with newspapers, magazines and different indoor games facilities like carom, table tennis etc.

### COLLEGE LIBRARY

The college library is equipped with more than 24,000 books including texts and references and sufficient administrative hands are ready to serve the students' interest untiringly at every moment.

### RAMMOHAN LIBRARY

To make Library facilities more available to the students a branch of main library namely Ramamohan Library was established in 1972 at the initiative of the District Youth Welfare Officer, Midnapore.

### VIDYASAGAR PATHA PARISAD

With a view to fostering a sense of culture and literature in the locality, this Patha Parisad, being established in the year 1970, 150 Birth Anniversary of Pandit Iswar Chandra Vidyasagar, organizes several competitions every year among its members from neighbouring educational and cultural institutions including mother institutions. The Parisad organizes meeting, seminars etc. which are addressed by the eminent guest speakers.

### STUDENTS' UNION

Elected representatives from different classes form the Union and function for a session. It provides the students ample scope for developing social and cultural outlook throughout the session and keeps a keen eye to the academic and other interests of the students.

#### Activity of Student Council:

Students' union of the Mahavidyalaya is actively engaged in different extracurricular activities that help in developing social, cultural, environmental, physical as well as political awareness amongst the youths. The activities of the students' union are enlisted below:

- The Cultural competition of the Mahavidyalaya is organised by the Students' Union every year. All the students are requested to take part in the competition an automatic screening is done through this competition for the students who will take part in the University's (VU) cultural competition.
- The union publishes their annual magazine every year. A team of magazine committee is selected every year whose primary duty is to collect the writings from the students and place them before the editors' board (comprising teachers) for final selection. The magazine offers an excellent opportunity to the students to ventilate their unexplored brilliance present in them.
- The college has a history of showing good performance in Youth Parliament competition. It performed well in District level Competition as well as State Level Competition. Credit goes to the Union, right from developing the script to selection of students for the specific role, the arrangement of rehearsals, purchasing drama attires and logistical support all are done by the union.
- The annual sports of the college as a gala event, where all the departments take active participation. A college football team is selected by the union with the help of the physical education teacher, just after the annual sports. This football team (students mainly comprising from hostel) undertake regular practice and perform praise worthy performance at the University level as well as at State level competition.
- The union also take active participation in selecting NCC and NSS cadets. Regular activities of the NCC and NSS like establishment of practice camp, visiting to adopted villages, organising seminars – film show – campus cleaning – environmental awareness in villages for NSS volunteers etc. are carried out with the help of the union.
- Amongst other works the union also logistically helps the institution organising state/national/international seminars, invited lectures, teachers' day celebration, Independence Day celebration etc.

## University Norms for Admission in UG Courses

- A) Candidates passing Higher Secondary Examination conducted by the WBCHSE or any other equivalent council are eligible for admission in both honours and general course including vocational course within 3 (three) consecutive academic session from the date of qualifying examination.
- B) Candidates passing Higher Secondary Examination from vocational stream conducted by the WBCHSE or any other equivalent council are eligible for admission in general course only including vocational course within 3 (three) consecutive academic session from the date of qualifying examination.
- C) A candidate passed H.S. or equivalent examination with minimum 45% marks in aggregate (to be calculated by adding the marks obtained in 'best five' subjects excluding Environment Studies) or 50% marks in a subject or related subject is eligible to apply for admission in the honours course.
- D) Candidates carrying pass marks in at least five subjects are eligible to apply for general course.
- E) Any candidate seeking admission in Economics (Hons.) or Accountancy (Hons.) must have obtained 45% marks in Mathematics in Madhyamik or equivalent examination or must have passed in Mathematics in H.S. or equivalent examination. However, for Accountancy (Hons) this condition is not applicable for a student passing H.S. examination/equivalent examination having at least two commerce papers one of which must be either Business Economics including Business Mathematics or Accountancy or any other equivalent subjects.
- F) Any candidate seeking admission in Physics (Hons.) must have passed in Mathematics in H.S. or equivalent examination.
- G) Any candidate seeking admission in Lab. Based subject must have obtained requisite marks in those subject or relevant subjects in H.S. or equivalent examination.
- H) A Part-I Honours candidate, desires to opt for general course, may take admission afresh in the next year as a general student after obtaining necessary permission from University Authorities (Secretary, UG Council for permission & the Controller of Examinations for information). This facility may be given at the cost of losing one chance.
- I) A Part-II Honours candidate, fails to obtain qualifying marks but obtains 30% marks in honours subject, may take admission in Part-III (3rd year) classes as a general student after obtaining necessary permission from University Authorities (Secretary, U.G. Council for permission & the Controller of Examinations for revised mark sheet) in this regard within 30 (thirty) days from the date of publication of result.

## Patterns of Examination for All Theoretical Honours/General Papers (Except Comp. English, Comp. MIL & Comp. Env. Subjects)

For a paper of 100 marks in Part-I/ Part-II/ Part-III examination questions will be set for 90 marks and 10 marks be internally assessed by the concerned college covering the entire syllabus.

**Pattern of questions for 90 marks:**

- a) Long answer type questions: 30 marks having maximum 15 marks in each question.
- b) Semi long answer type question: 40 marks having maximum 08 marks in each question.
- c) Short answer type questions: 20 marks having maximum 04 marks in each question.

Each type of these questions will necessarily be set from all portion of the syllabus and not from a particular portion. These three types of questions will be set in different groups such as:

- (a) Group-A: Long answer type questions.
- (b) Group-B: Semi long answer type questions.
- (c) Group-C: Short answer type questions.

Again there may be sub-group like A (a) and A (b) as required by the contents of syllabus of different subjects.

**Internal assessment at college level:**

- a) Total marks allotted for internal assessment is fixed at 10 for each theory paper of 100 marks. For a paper of less than 100 marks internal assessment will be proportionately less.
- b) The total marks of each class test will be 20 (twenty) and the total time allotted will be 45 minutes i.e. one class period.
- c) For each Honours papers at least 5 (five) periodical class test will be held throughout the session and internal assessment marks will be awarded proportionately.
- d) For each General papers at least 2 (two) periodical class test of 20 marks each will be
- e) held throughout the session and internal assessment marks will be awarded proportionately.
- f) Candidates, fail to attend the class test, will lose internal assessment marks proportionately.
- g) The casual candidates for any part of the examination (i.e. those who did not qualify/dropped/cancelled results in the previous year) and the compartmental candidates will not be required to sit for the class tests. The marks on the internal assessment for the students will be the same as obtained by them in the previous year when they were regular students.

**Minimum Qualifying/Pass/Honours marks in the subjects for 3 (three) Tier  
System in UG Syllabus  
(in % age)**

### **Details of IQAC Name of the IQAC Co-ordinator: Dr. Selim Chisti**

Departments are advised to prepare academic calendar as well as lesson plan for the academic session such as: teaching plan, methodology, teaching material, assessment plan, remedial classes etc. Year wise Plan preparation helps to achieve the goals. The IQAC monitors the progress of the teaching-learning process. Teacher-in-Charge also organizes meetings with HODs and faculties of each Department to address the matter concerning the progress of Teaching-Learning process. IQAC also looks into updating the teaching aids & techniques. The IQAC advised the departments to adopt new techniques, like, organizing student's seminars & departmental seminars. The IQAC recommended the College Authority to release corpus fund of Rs. 5000.00 to each department which the Authority agreed upon.

### **Significant Activities and contributions made by IQAC**

1. Helped the Teaching Staffs to prepare the Self Appraisal Reports;
2. Arranged remedial classes;
3. Helped the Teaching Faculties for CAS-API processing for Assistant/Associate Professorship;
4. Initiatives taken to digitize the campus;
5. Involved in the activities, like, plantation of siblings, etc. to minimize the gravity of environmental degradation;
6. Involved in the activities of social responsibilities;

7. Encouraged different NSS and NCC programmes and provided its complete support and initiative to engage yearly special camps for these activities;
8. Monitored the mode of functioning of each internal committee of the college.

**Plan of Action by IQAC/Outcome: the plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year**

Sl. No.	Plan of Action	Achievements
1.	Annual Road Map	All the departments were encouraged to prepare annual road map in the beginning of the year which facilitated them to plan and execute various programmes, viz, teaching-learning, educational tour, excursion, project work, etc., effectively.
2.	Promotion of e-resources	Faculties are encouraged to adopt e-resources in their teaching process.
3.	Initiation of innovative Teaching -Learning Process	Departments adopted several experimental learning, such as, field visits, project work, group discussions, etc.
4.	Digitization	Online admission process had been started. The teaching faculties digitalized their lecture notes and involved with the technology dependent class room presentations.
5.	Minimizing environmental degradation inside the campus	Optimum utilization of the existing infrastructure of the College campus, tree plantation, arrangement of separate garbage area for non-biodegradable wastes and completion of plan for a medicinal plant garden under the supervision of the Department of Botany.
6.	Fulfilling social responsibilities	Arrangement of remedial classes for weaker students, organization of blood donation camp, organization of thalassaemia camp and sensitizing the students to ecological & environmental issues.
7.	Enhancement of the infrastructural facilities to the students	Completion of more number of toilets and urinals for the students in the campus.
8.	Planned to organize Seminar	Several departments under the guidance of the IQAC Cell of this Mahavidyalaya planned to organize Departmental as well as

### **National/International Seminars. Some departmental seminars had organized.**

#### **Initiatives of the IQAC in Sensitizing/Promoting Research Climate in the institution:**

Departments are advised to prepare academic calendar as well as lesson plan for the academic session such as: teaching plan, methodology, teaching material, assessment plan, remedial classes etc. Year wise Plan preparation helps to achieve the goals. The IQAC monitors the progress of the teaching-learning process. Teacher-in-Charge also organizes meetings with HODs and faculties of each Department to address the matter concerning the progress of Teaching-Learning process. IQAC also looks into updating the teaching aids & techniques. The IQAC advised the departments to adopt new techniques, like, organizing student's seminars & departmental seminars. The IQAC recommended the College Authority to release corpus fund of Rs. 5000.00 to each department which the Authority agreed upon.

#### **Student Support and Progression:**

IQAC enhances the Students' orientation programme at the beginning of every academic session by which newly admitted students of this Mahavidyalaya become aware about the various Student's support services available in this Mahavidyalaya. The IQAC Cell also renders this service by publishing the information on the College website and College prospectus. The student members of the IQAC Cell interact with the Students Council and disseminate information to the students on the various support services for quality enhancement of the students.

#### **Efforts made by the institution for tracking the students' progression:**

Regular meetings of the Academic Council are held. Teachers take care of day to day student support as and when needed. Weaker students are identified in the class with the help of their respective class teachers and remedial classes are arranged. Teachers keep track of the performance of the students and monitor the progress.

#### **Mentor-mentee System:**

Mentor-mentee program has been started in the Mahavidyalaya wherein the teaching faculties of this Mahavidyalaya are doing the job as the mentors and the students are considered as the mentee.

Objectives: i. To help the students for understanding the challenges and opportunities present in the college and develop a smooth transition to campus life.

ii. To counsel academically weak students and to play an important role in helping troubled Sabang Sajanikanta Mahavidyalaya

students to cope with academic, extra-academic and personal problems.

iii. To proactively try to identify problems of the general student populace and to bring them to the notice of the concerned authorities. The practice of Mentor-Mentee program endeavors to pursue these objectives by guiding the students by the teaching faculty who can act as a friend, philosopher and guide to them. Mentors of each department, selected by the teachers of the concerned department, play this role and are given the authority to pursue the mission of this programme. Each of them is assigned a group of students however, their role is limited to counseling and motivating them to better direction. As the Mahavidyalaya suffers from huge shortage of teaching faculty, the programme is in fledgling stage. Only programs like counseling, group discussions etc. are taken up.

**STUDENTS' FEEDBACK REPORT OF THE DEPARTMENT OF ECONOMICS**

A departmental meeting was held on 19.03.2017 and discusses the Students' feedback report (2016-17). The student feedback data for different criteria were analyzed and resolved. The resolutions are presented in the following table:

Sl No.	Parameter	Response	Resolutions
1	The extent of coverage of course	Major percentage of students responded in very good, good and satisfactory category (66.67%, 25%, and 8.33%)	The department will perform better from the next time to cover up shortage those students who have not enough satisfaction by remedial class.
2	Work Load of the Subject	66.67% is very good, 25% is good and 8.33% is satisfactory	The department will take necessary step i.e. extra class for those students who have not enough satisfaction according to their opinion
3	Applicability/relevance to real life situation.	Major percentage of students responded in very good, good and satisfactory category (66.67%, 25% and 8.33%) respectively.	The department will take necessary step i.e. group discussion for those students has not sufficient satisfaction of their opinion

4	Relevance of the subject in relation to the understanding of major field	58.33% is very good, 33.33% is good and 8.34% is satisfactory	The department will take necessary step i.e. group discussion for those students has not sufficient satisfaction of their opinion.
5	Availability of text book	58.34% is very good, 33.33% is good and 8.33% is satisfactory.	The department will take necessary step i.e. advising to use online materials and library facilities for betterment of student's satisfactory level.
6	Relevance of the subject covered to the examination/tests	Major percentage of students responded in very good 66.67% is very good, 16.67% is good, 8.33% is satisfactory and 8.33% is average.	The department has decided to allot the remedial class of that student who has given their opinion as average for the next session.
7	Additional remedial teaching for better understating of the subject	Major percentage of students responded in very good, 66.67% is very good, 16.67% is good, 8.33% is satisfactory and 8.33% is average	Remedial classes are allotted for the slow learners. Students who could not follow a particular topic can also join the remedial class. Students who have responded this parameter as average might have not attended the classes. The department has decided to allot extra class of those students' who has given their opinion as average for future.
8	Overall Rating	None of the students responded in unsatisfactory group. Only a small proportion of students responded in average group.	This is evident from the student feedback data expressing the overall rating that major percentage of students are either in good or very good segment. The small proportion of students in average group might have not attended all the classes due to transportation problem, agricultural work etc. However, house resolved that doubt clearance session should be included in remedial classes. And individual problems if any should be taken care of at Mentor-Mentee level.

Sl No.	Feedback	Action taken
1	Notes for examination	We always encourage students to study from various books and web sources provided to them. We always help them prepare their own study notes. But we do not support the traditional market based note in higher education system, though we still provide many notes on many difficult topic of syllabus through what's apps group to accomplish their need.
2	It would be better to explain topic in a simple way through modern technology.	Being a rural area based college we are not still able to develop modern infrastructure which will be familiar to every student. A huge amount of fund will be needed to setup such infrastructure. As soon as the fund will be available for the same the said suggestion will be implemented.
3	Examination should be in every month	Due to tight course schedule to complete syllabus it would be very difficult to arrange monthly examination. Yet we would try to schedule it in remedial classes or in extra date in next session
4	Coverage of course some time not finished	Some time very small portion of the syllabus not completed in time due to poor internet connection some students can't be able to observe the PPT/video of the teaching. So we are to arrange remedial classes to cover the syllabus.
5	Teaching aids should be increased	We know that our departmental infrastructure is not well equipped. Yet we will try to increase teaching aids like arrangement of smart class room etc in our department.
6	Field trip to ensure hands on project in subject related at local area	We will provide a certificate from our college for their identity to collect field survey data for kind cooperation from any household, organization or institutions.

#### Some more suggestions to IQAC:

- More new instruments are required to be purchased, as in the revised syllabus more changes occur in practical papers.
- More text books to be purchased in central as well as departmental library in accordance with revised syllabus
- Number of teachers should be increased for the proper workload sharing for both UG and PG departments.

## **STUDENTS' FEEDBACK REPORT OF THE DEPARTMENT OF SANSKRIT**

Department of Sanskrit held a meeting on 14.05.2017 to analyse the feedback given by the students regarding management, teachers' teaching abilities, syllabus completion, teaching through ICT etc to prepare a report and discussed in detail what action and measures could be taken on the basis of the report. In most cases we have been provided with satisfactory reviews and in a few cases we have some reviews that showed our little mismanagement. After close analysis we have taken some measures to ensure better management for teaching and learning process.

### **1.Context-Coverage of Syllabus:**

**Report:** 92.41% of students said that (95%-100%) syllabus was covered. 7.59% students said that (80%-90%) syllabus was covered.

**Analysis:** i) Teachers helped the student to be prepared for the exam and they are happy to have their syllabus completed in time.  
ii) We can't find proper reason for the complaint of minimum number of students perhaps their seldom absence from the class is the reason of their ignorance of the completion of the syllabus.

### **2. Work load of the Subject:**

**Report:** i) 34.18% Student said that work load of the subject is very good.

ii) 65.82% Student said that work load of the subject is good.

**Analysis:** i) Teachers taken the class as per their work load. Extra class allotted coverage the course.

### **3. Applicability/relevance to real life situation:**

**Report:** i) 55.7% Students are said that the courses are applicable to real life situation. They give 'A' grade to the relevance of the subject to real life. 32.91% of the students give 'B' grade to the relevance of the subject to real life situation.

10.1% of the students give 'C' grade to the relevance of the subject to real life

situation.

**Analysis:** i) Most of the subject is relevance to real life situation. We are always trying to relate the subject with real life situation and teach them in a proper way. But after seeing this feedback, we are call 10.1% students and discussed with them in this particular problem.

#### **4. Relevance of the subject in Relation to the understanding of the major field:**

**Report:** 55.7% of the student said that the subject is relevance to the relation of understanding in the major field and they provide 'A' grade in this regard.  
41.77% of the student said that the subject is relevance to the relation of understanding in the major field and they provide 'B' grade in this regard.  
2.53% of the student said that the subject is relevance to the relation of understanding in the major field and they provide 'C' grade in this regard.

**Analysis:**

After analysis the feedback in this regard we call 2.53% of the students who are not understanding the relevance of the subject in relation to the major field and discussed the problem with them.

#### **5. Availability of text books:**

**Report:** i) 72.15% of the students said that the text books are available in the central & departmental library as per their need and they provide 'A' grade on the availability of text books.  
ii) 27.85% of the students said that the text books are available in the central & departmental library as per their need and they provide 'B' grade on the availability of text books.

**Analysis:** After analysis the feedback given by the students on the availability of text books in the central and departmental library, we discussed this in our departmental meeting and we asked the students of all the year to submit a booklist as per their need. Finally, we compiled all the booklist and send to the purchase committee of the college.

## 6. Relevance of the subject covered to the examination/tests:

Report: i) 56.96% of the students said that the subject covered to the examination. They provide 'A' grade on this particular parameter.

ii) 37.97% of the students said that the subject covered not fully up to the examination. But most of the thing are covered till the examination. They provide 'B' grade on this particular parameter.

iii) 5.06% of the students are provide 'C' grade. They are not satisfied fully about the subject covered to the tests.

Analysis: After analysis all the feedbacks we got from the students, we see that almost 90% of the students were satisfied with the syllabus coverage up to the examination. But 5.06% of the students who are not satisfied with the subject coverage may be not attend their classes properly.

## 7. Additional remedial teaching for better understanding of the subject:

Report: i) 55.7% of the students are said that the class provide additional remedial teaching for better understanding of the subject. They provide 'A' grade in this regards.

ii) 40.51% of the students are said that the class provide additional remedial teaching for better understanding of the subject. They need more classes so they provide 'B' grade in this particular parameter.

iii) 3.8% of the students are not agree that the class provide remedial teaching with their classes. So 'C' grade.

Analysis: After analysis all the feedbacks we got from the students, we see that almost 95% of the students were satisfied with the remedial teaching for better understanding of the subject. Very few students 3.8% are not satisfied with the additional remedial classes. We discussed this particular thing in our Departmental meeting and decided to take remedial classes in regularly.

## 8. Overall rating:

Report:

i. 73.42% of the students are satisfied with all the things we are providing in our classes.

ii. They are providing 'A' grade.

- iii. 25.32% of the students are provide 'B' Grade to all the things we provide.
- iv. 1.27% of the students are not satisfied properly. They give satisfactory & 'C' grade.

### Analysis:

- It is quite impossible to us to satisfy all the students. But we are trying our level best.  
After analysis this
- feedback we find out that it is quite natural that 99% of the students are satisfied with overall things but
- 1.27% students are not satisfied. But we are trying harder & harder that no one can give us 'C' grade.

### Gender sensitization programmes arranged:

Women Cell was constituted with female staff and female students for dealing with issues relating to discriminating behavior against women. The Cell organised various other sensitization programmes, like, celebration of International Women's Day, and conducted competitions on gender sensitization and women empowerment. Other than this Cell, Sexual Harassment Prevention Cell has been constituted. The IQAC Cell proposed the Department of Political Science to conduct a seminar on gender sensitization as early as possible.

### Development programmes for support staff :

Training to the staffs to enhance the efficiency regarding the use of e-resource. The support staffs are allowed to attend any training programme, like training organized by the Government of West Bengal, college or other institute for augmenting their performance.

### Initiatives taken by the institution to make the campus eco-friendly
